

MVP Health Care[®]

2026 Formulario Comprensivo de Medicare Parte D (Lista de Drogas Cubiertas)

Lea: Este documento contiene información sobre los medicamentos que cubrimos en este plan. Este Formulario se actualizó el 1 de mayo **de 2026**. Para obtener información o preguntas más recientes, comuníquese con el Centro de Atención al Cliente de Medicare MVP.

Recursos adicionales para ayudar: Comuníquese con el Centro de Atención al Cliente de Medicare MVP al **1-800-665-7924** para obtener información adicional.

Los usuarios de TTY deben llamar al 711. El horario es de siete días a la semana, de 8 a.m. a 8 p.m., hora del este.

Del 1 de abril al 30 de septiembre, llame de lunes a viernes, de 8 a.m. a 8 p.m.

Visite mvphealthcare.com/partdformulary para obtener la lista de formularios más actualizada.

Formulary ID 26114, Version 11
Updated 5/2026
Y0051_0700_C

Nota a los miembros existentes: Este formulario ha cambiado desde el año pasado. Examine este documento para asegurarse de que aún contiene los medicamentos que usted toma.

Cuando esta lista de medicamentos (formulario) se refiere a "nosotros," "nos," o "nuestro," quiere decir MVP Health Care. Cuando se refiere a "plan" o "nuestro plan," quiere decir, MVP Medicare Preferred Gold (HMO-POS), MVP Medicare Secure Plus (HMO-POS), MVP[®] Medicare WellSelect[®] (PPO), o MVP[®] Medicare WellSelect[®] Plus (PPO).

Este documento incluye lista de medicamentos (formulario) para nuestro plan que está al día el 1 de mayo de 2026. Para obtener un formulario actualizado, póngase en contacto con nosotros. Nuestra información de contacto, junto con la fecha de la última vez que actualizamos el formulario, aparece en las cubiertas delantera y trasera.

Generalmente, debe utilizar farmacias de red para utilizar su beneficio de medicamentos de receta. Los beneficios, el formulario, la red de farmacias, y/o los copagos/el coseguro pueden cambiar el 1 de enero de 2027, y de vez en cuando durante el año.

¿Qué es el Formulario del MVP Health Care?

Un formulario es una lista de medicamentos cubiertos seleccionados por MVP Health Care consultando con un equipo de proveedores de atención médica, que representa las terapias de receta que se cree son parte necesaria de un programa de tratamiento de calidad. Generalmente, MVP cubrirá los medicamentos enumerados en nuestro formulario siempre que el medicamento sea necesario por motivos médicos, la receta se surta en una farmacia de la red de MVP y se sigan otras reglas del plan. Para obtener más información acerca de cómo surtir sus recetas, examine su Evidencia de Cobertura.

¿Puede cambiar el Formulario (lista de medicamentos)?

La mayoría de los cambios en la cobertura de los medicamentos ocurren el 1 de enero, pero MVP podría agregar o quitar medicamentos de la Lista de medicamentos durante el año, moverlos a diferentes niveles de costo compartido o agregar nuevas restricciones.

Cambios que pueden afectarlo este año

En los casos a continuación, usted se verá afectado por los cambios de cobertura durante el año.

Sustituciones inmediatas de ciertas nuevas versiones de medicamentos de marca y productos biológicos originales

Es posible que eliminemos inmediatamente un medicamento de nuestro formulario si lo estamos reemplazando con una nueva versión determinada de ese medicamento que aparecerá en el mismo nivel de costo compartido o en el más bajo y con las mismas o menos restricciones. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero moverlo inmediatamente a un nivel diferente de costos compartidos o agregar nuevas restricciones.

Podemos hacer estos cambios inmediatos solo si estamos agregando una nueva versión genérica de un medicamento de marca, o si estamos agregando ciertas nuevas versiones biosimilares de un producto biológico original, que ya estaba en el formulario (por ejemplo, agregando un biosimilar intercambiable que puede ser sustituido por un producto biológico original por una farmacia sin una nueva receta).

Si actualmente está tomando el medicamento de marca o el producto biológico original, es posible que no le informemos con anticipación antes de realizar un cambio inmediato, pero más adelante le proporcionaremos información sobre los cambios específicos que hemos realizado.

Si hacemos un cambio de este tipo, usted o su médico pueden pedirnos que hagamos una excepción y que continuemos cubriéndole el medicamento que se está cambiando. Para obtener más información, consulte la sección a continuación titulada "¿Cómo solicito una excepción al Formulario MVP Medicare Parte D?"

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección a continuación titulada "¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?"

Medicamentos retirados del mercado

Si la Administración de Alimentos y Medicamentos considera que un medicamento de nuestro Formulario es inseguro o el fabricante del medicamento lo retira del mercado, eliminaremos de inmediato dicho medicamento de nuestro Formulario y les notificaremos a los miembros que toman el medicamento en cuestión.

Otros cambios

Podemos hacer otros cambios que afectan a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un nuevo medicamento genérico para reemplazar un medicamento de marca que se encuentra actualmente en el Formulario;

o agregar nuevas restricciones al medicamento de marca o cambiarlo a un nivel de costo compartido diferente, o ambos. O podemos agregar un nuevo medicamento genérico para reemplazar un medicamento de marca que actualmente se encuentre en el Formulario o agregar nuevas restricciones al medicamento de marca o moverlo a un nivel de costo compartido diferente. O bien, podemos hacer cambios en función de las nuevas pautas clínicas. Si retiramos medicamentos de nuestro Formulario, o agregamos autorizaciones previas, restricciones de límite de cantidad o de tratamiento escalonado en un medicamento, o si pasamos un medicamento a un nivel superior de costo compartido, debemos notificarles a los miembros afectados por el cambio al menos 30 días antes de que entre en vigencia dicho cambio, o cuando el miembro solicite un resurtido del medicamento, momento en el cual el miembro recibirá un al menos el mes aplicable suministro de medicamentos (hasta treinta días)

- Si realizamos estos otros cambios, usted o la persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca para usted. En el aviso que le proporcionamos también se incluirá información sobre cómo solicitar una excepción, y usted también puede encontrar información en la sección a continuación titulada “¿Cómo puedo solicitar que se haga una excepción al Formulario de MVP Health Care?”.

Cambios que no lo afectarán si actualmente toma el medicamento

En general, si usted toma un medicamento de nuestro Formulario para 2026 que estaba cubierto al comienzo del año, nosotros no discontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2026, excepto como se describe anteriormente. Esto significa que, por el resto del año de cobertura, estos medicamentos continuarán disponibles al mismo costo compartido y sin nuevas restricciones para aquellos miembros que estén tomándolos.

No recibirá un aviso directo este año sobre cambios que no lo afectan. Sin embargo, dichos cambios lo afectarían a partir del 1 de enero del año siguiente, y es importante que verifique la Lista de medicamentos del nuevo año de beneficios por cualquier cambio en los medicamentos.

El formulario adjunto está al día 1 de mayo de 2026. Para obtener información actualizada acerca de los medicamentos cubiertos por MVP Health Care, póngase en contacto con nosotros. Nuestra información de contacto aparece en las cubiertas delantera y trasera.

En el caso de un cambio o cambios en el Formulario durante el año, los cambios también se publicarán en mvphealthcare.com. La versión actualizada del Formulario completo se publicará en el sitio web de MVP mensualmente según sea necesario. Para ver la lista de cambios, visite mvphealthcare.com/partdformulary.

O puede solicitar una fe de errata (una copia de los Cambios en el Formulario de 2026) llamando al Centro de Servicios a los Afiliados en los números de teléfono que aparecen en el reverso de su tarjeta de ID de miembro.

¿Cómo se utiliza el Formulario?

Hay dos maneras de encontrar su medicamento en el formulario:

Condición Médica

El formulario empieza en la página 1. Los medicamentos de este formulario están agrupados en categorías según el tipo de condición médica para el tratamiento de la cual se utilizan. Por ejemplo, los medicamentos que se utilizan para tratar una condición cardíaca se enumeran bajo la categoría, "Cardiovascular". Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que empieza en la página 1. Después, busque su medicamento bajo el nombre de la categoría.

Lista Alfabética

Si no está seguro de la categoría bajo la cual buscar, debe buscar su medicamento en el Índice que empieza en la página 85. El Índice da una lista alfabética de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos se enumeran en el Índice.

1. Mire en el Índice para encontrar su medicamento.
2. Al lado de su medicamento verá el número de la página donde puede encontrar información de cobertura.
3. Vaya a la página indicada en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son medicamentos genéricos?

MVP cubre tanto medicamentos de marca como los medicamentos genéricos. Un medicamento genérico está aprobado por la Administración de Alimentos y Medicamentos (FDA) indicando que tiene el mismo ingrediente activo que el medicamento de marca. Generalmente, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, esto podría significar un medicamento o un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Dado que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se llaman biosimilares. Por lo general, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, dependiendo de las leyes estatales, pueden ser sustituidos por el producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden ser sustituidos por medicamentos de marca.

¿Hay restricciones en mi cobertura?

Es posible que algunos medicamentos cubiertos tengan requisitos adicionales o límites de cobertura. Estos requisitos y límites pueden incluir:

Autorización Previa

MVP requiere que usted o su médico obtenga autorización previa para ciertos medicamentos. Esto quiere decir que necesitará obtener la aprobación de MVP antes de surtir sus recetas. Si no obtiene aprobación, es posible que MVP no cubra el medicamento.

Límites de Cantidad

Para ciertos medicamentos, MVP limita la cantidad de medicamento que cubrirá MVP. Por ejemplo, MVP proporciona 30 tabletas cada 30 días por receta para JANUVIA. Esto puede ser además de un suministro estándar de un mes o tres meses.

Terapia en Pasos

En algunos casos, MVP requiere que pruebe primero ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa condición. Por ejemplo, si el Medicamento A y el Medicamento B tratan su condición médica, es posible que MVP no cubra el Medicamento B a menos que pruebe primero el Medicamento A. Si el Medicamento A no le va bien, MVP cubrirá entonces el Medicamento B.

Puede averiguar si su medicamento tiene requisitos o límites adicionales mirando en el formulario que empieza en la página 12. También puede obtener más información acerca de las restricciones aplicadas a medicamentos específicos cubiertos visitando nuestro sitio Web. Hemos puesto en línea documentos que explican nuestras restricciones de autorización previa y de terapia de paso.] También puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en las cubiertas delantera y trasera.

Puede pedirle a MVP que haga una excepción a estas restricciones a límites, o pedirle una lista de otros medicamentos parecidos que puedan tratar su condición médica. Vea la sección, "¿Cómo se solicita una excepción al Formulario de MVP Health Care?" en la página E para ver información acerca de la manera de solicitar una excepción.

¿Qué pasa si mi medicamento no está en el Formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), lo primero que debe hacer es ponerse en contacto con Servicios de Miembros y preguntar si está cubierto su medicamento. Este documento incluye solo una lista parcial de los medicamentos cubiertos, por eso es posible que MVP cubra su medicamento. Para obtener más información, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en las cubiertas delantera y trasera.

Si averigua que MVP Health Care no cubre su medicamento, tiene dos opciones:

1. Puede pedirle el Centro de Servicios a los Afiliados de MVP una lista de medicamentos parecidos que estén cubiertos por MVP. Cuando reciba la lista, enséñesela a su médico y pídale que le recete un medicamento parecido que esté cubierto por MVP.
2. Le puede pedir a MVP que haga una excepción y cubra su medicamento. Vea la información que aparece a continuación para ver cómo solicitar una excepción.

¿Cómo se solicita una excepción al Formulario de MVP Health Care?

Le puede pedir a MVP Health Care que haga una excepción a nuestras reglas de cobertura. Hay varios tipos de excepciones que puede pedirnos que hagamos.

- Puede pedirnos que cubramos un medicamento aún si no está en nuestro formulario. Si se aprueba, este medicamento se cubrirá a un nivel predeterminado de costo compartido, y usted no podría pedirnos que proporcionemos el medicamento a un nivel más bajo de costo compartido.
- Puede pedirnos que cubramos un medicamento del formulario a un nivel más bajo de costo compartido. Si se aprueba, esto reduciría la cantidad que debe pagar usted por su medicamento. **NOTA:** Usted no puede solicitarnos la cobertura de un medicamento de Nivel 5 (Nivel de medicamentos especializados) a un nivel de costo compartido más bajo.
- Puede pedirnos que demos una exención para las restricciones o límites de cobertura de su medicamento. Por ejemplo, para ciertos medicamentos, MVP Health Care limita la cantidad de medicamento que cubrimos. Si su medicamento tiene un límite de cantidad, puede pedirnos que otorguemos una exención para el límite y que cubramos una cantidad agostor.

Generalmente, MVP solamente aprobará su solicitud de excepción si los medicamentos de alternativa incluidos en el formulario del plan, el medicamento de costo compartido más bajo, o las restricciones de utilización adicionales no serían tan efectivas en el tratamiento de su condición y/o harían que usted tuviera efectos médicos adversos.

Debe ponerse en contacto con nosotros para pedirnos una decisión de cobertura inicial para una excepción al formulario o de las restricciones de utilización. **Cuando solicite una excepción al formulario o de restricciones de utilización, debe presentar una declaración de su recetador o médico apoyando su solicitud.** Generalmente, tenemos que tomar una decisión dentro de las 72 horas siguientes a recibir la declaración de apoyo de su recetador. Puede solicitar una excepción acelerada (rápida) si usted o su médico cree que su salud podría verse severamente dañada si espera 72 horas para recibir una decisión. Si su solicitud de acelerar se concede, debemos darle una decisión no más de 24 horas después de recibir una declaración de apoyo de su médico u otro recetador.

¿Qué hago antes de poder hablar con mi médico acerca de cambiar mis medicamentos o solicitar una excepción?

Como miembro nuevo de o si continua en nuestro plan, puede que esté tomando medicamentos que no estén en nuestro formulario. O puede que esté tomando un medicamento que esté en el formulario pero su habilidad de obtenerlo sea limitada. Por ejemplo, puede que necesite autorización previa nuestra antes de poder surtir su receta. Debe hablar con su médico para decidir si debería cambiar a un medicamento

apropiado que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras habla con su médico para determinar el rumbo correcto que seguir, puede que cubramos su medicamento en ciertos casos durante los primeros 90 días que sea miembro de nuestro plan.

Para cada uno de sus medicamentos que no esté en nuestro formulario o si su habilidad de obtener sus medicamentos es limitada, cubriremos un suministro temporal para un suministro de un mes. Si su receta está indicada para menos días, permitiremos que realice resurtidos por un máximo de hasta 30 días del medicamento. Después del primer suministro para 30 días, no seguiremos pagando estos medicamentos, incluso si ha sido miembro del plan durante menos de 90 días.

Si es residente de un centro de atención a largo plazo y necesita un medicamento que no está en el Formulario o si su capacidad para conseguir los medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia del medicamento para 31 días mientras solicita la excepción al formulario.

Los miembros que estén cambiando los niveles de cuidado pueden ser elegibles para un suministro de medicamentos de transición fuera de su período de transición de inscripción inicial de 90 días. Los cambios en el nivel de atención pueden incluir: ingresar o salir de un centro de cuidados a largo plazo, dar de alta del hospital al hogar y terminar la estancia en un centro de enfermería especializada y regresar a la cobertura del Formulario de la Parte D bajo su plan.

Para obtener más información

Para obtener información más detallada acerca de su cobertura de medicamentos de receta de MVP Health Care, examine su Evidencia de Cobertura y otros materiales del plan.

Si tiene preguntas acerca de MVP Health Care, póngase en contacto con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del Formulario, aparece en las cubiertas delantera y trasera.

Si tiene preguntas generales acerca de la cobertura de medicamentos de receta de Medicare, llame a Medicare al **1-800-MEDICARE (1-800-633-4227)** 24 horas al día / 7 días a la semana. Los usuarios de TTY deben llamar al 1-877-486-2048. O visite [medicare.gov](https://www.medicare.gov).

Formulario de MVP Health Care

El formulario que empieza en página 1 proporciona información de cobertura acerca de los medicamentos cubiertos por MVP Health Care. Si tiene dificultades para encontrar su medicamento en la lista, vaya al Índice que empieza en la página 85.

La primera columna de la tabla indica el nombre del medicamento. Los medicamentos de marca están en letras mayúsculas (por ejemplo, JANUVIA) y los medicamentos genéricos aparecen en cursiva minúscula (por ejemplo, *allopurinol*).

La información de la columna de Requisitos/Límites le dice si MVP tiene algún requisito especial para la cobertura de su medicamento.

Abreviaturas y definiciones de los términos del formulario

Puede encontrar una o más de las siguientes abreviaturas en el Formulario bajo la columna Requisitos/Límites junto a un nombre de medicamento.

No disponible mediante pedido por correo (NM)

No se permiten ciertos medicamentos a través del programa de farmacia de pedidos por correo. Estas recetas solo pueden abastecerse en una farmacia minorista.

Autorización previa (PA)

Por razones de seguridad y/o ahorro de costos, MVP Health Care requiere que usted o su médico obtengan autorización previa para ciertos medicamentos. Esto significa que necesitará tener una aprobación de MVP antes de surtir sus recetas. Si no obtiene la aprobación primero, es posible que MVP no cubra el medicamento.

Límites de cantidad (QL)

Por razones de seguridad y/o ahorro de costos, MVP Health Care establece un límite en la cantidad del medicamento que cubrimos para ciertos medicamentos. Por ejemplo, MVP proporciona una cápsula al día para JANUVIA. Este límite puede aplicarse a un suministro estándar de un mes o de tres meses.

Terapia escalonada (ST)

Por razones de seguridad y/o ahorro de costos, en algunos casos MVP Health Care requiere que primero pruebe algunos medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esta afección. Por ejemplo, si un medicamento A y un medicamento B tratan su afección médica, puede ser que MVP no cubra el medicamento B a menos que pruebe con el medicamento A primero. Si el medicamento A no funciona para usted, entonces MVP cubrirá el medicamento B.

Límites de suministro (DL)

Por razones de seguridad y/o ahorro de costos, ciertos medicamentos se limitan a un suministro de 30 días a través de una farmacia minorista y no están disponibles a través del programa de pedido por correo.

Acceso limitado (LA)

Algunos medicamentos solamente están disponibles a través de una Farmacia especializada designada debido a la distribución limitada del fabricante.

Cobertura de medicamentos de la Parte B frente a la cobertura de medicamentos de la Parte D (B/D)

Algunos medicamentos podrían cubrirse bajo el beneficio de la Parte B o Parte D, dependiendo de ciertos requisitos. Esto significa que usted o su médico deberán presentar una solicitud a MVP Health Care para que podamos determinar, basándonos en las pautas de Medicare, si su medicamento estará cubierto como Parte B o Parte D. Sus costos compartidos se basarán en esta determinación.

Descripciones de niveles

Nivel 1—Medicamentos genéricos preferidos –Costo \$0

El Nivel 1 incluye medicamentos genéricos seleccionados que se usan para tratar afecciones crónicas como diabetes, presión arterial alta, colesterol alto, y osteoporosis/salud ósea.

Nivel 2—Medicamentos genéricos

El Nivel 2 incluye la mayoría del resto de los medicamentos genéricos en nuestro Formulario. Los medicamentos genéricos tienen los mismos ingredientes activos, concentración y eficacia que las versiones de marca, pero generalmente a un costo mucho menor.

Nivel 3—Medicamentos de marca preferidos

El Nivel 3 incluye medicamentos de marca preferidos que tienen el costo compartido más bajo para los medicamentos de marca. Ciertos medicamentos genéricos pueden aparecer en el Nivel 3 debido a posibles incertidumbres respecto de la seguridad o al alto costo del medicamento.

Nivel 4—Medicamentos de marca no preferidos

El Nivel 4 incluye todos los demás medicamentos de marca y genéricos no preferidos en nuestro Formulario. Los medicamentos de la Parte D excluidos de nuestro Formulario deben pasar por un proceso de excepción para que MVP los cubra. Si son aprobados, tendrán cobertura en el Nivel 4.

Nivel 5—Medicamentos especializados

El Nivel 5 incluye medicamentos genéricos y de marca especializados de alto costo que cuestan \$950 o más para un suministro de un mes. La mayoría de los medicamentos en el Nivel 5 están restringidos a un suministro de un mes en farmacias minoristas, y están excluidos del programa de pedido por correo y del proceso de excepción de nivel.

Los medicamentos de insulina cubiertos por el plan tienen un copago máximo de \$35, independientemente del nivel, y no están sujetos al deducible.
